

Dear Families,

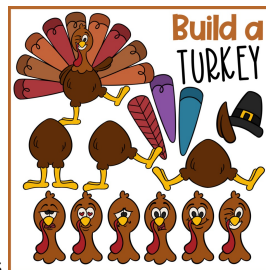

November is here, and our children are so excited for our new projects. This month, our children will be learning all about Turkeys, Feathers, Kindness **Thanksgiving traditions and foods we eat on Thanksgiving Day.**

□ What We're Learning This Month

- **Literacy & Language:** Building more fall vocabulary, listening to stories like I Am Thankful, One Leaf, Two Leaves Count with me, The Carrot Seed, and When Autumn Falls, practicing beginning sounds (E, H, T, I), rhyming words, and retelling stories.
 - **Phonological Awareness & Alphabet:** Identifying rhymes, clapping syllables, and learning new letters (E for Elephant, H for Happy, T for Thanksgiving, I for Ice).
 - **Emergent Writing:** Tracing letters, tracing names and magnetic activities.
 - **Math:** Counting leaves, Turkey Grid Math and Corn kernel counting.
 - **Science:** Magnetic/non Magnetic experiment, making cookie dough, tree labeling and baking soda trees.
 - **Social Studies:** Learning about family traditions, what types of foods our families eat and how we celebrate each other and being kind.
 - **Creative Arts:** Making paintings with magnets, Handprint Turkeys, corn 3-D art, and Thanksgiving art projects.
 - **Gross Motor/Outdoor Play:** Hopscotch, Turkey trot and parachute!
-
